

Dear Student,

The 2022-2023 Cybersecurity Public Service Scholarship application is now available!

This scholarship program supports students who are pursuing an education in programs that have been identified by the Secretary of Higher Education as being directly relevant to cybersecurity.

To apply for this scholarship:

1. Complete the Cybersecurity Public Service Scholarship application online by visiting <https://mdcaps.mhec.state.md.us/MDCAPS/login.aspx>; and
2. Submit all required documents which include the:
 - Official college transcript from a public or private non-profit institution; and
 - Institutional verification form confirming enrollment in an approved Cybersecurity program, and completion of the program within two years.

Submit all required documents to MHEC by **SECURE UPLOAD online through your **MDCAPS** account. Once logged in, select “Electronic File Upload” from the homepage then follow the prompts. Faxed documents are not acceptable.**

The 2022-2023 Cybersecurity Public Service Scholarship application and all supporting documentation must be submitted no later than **July 1, 2022**.

For more information on the Cybersecurity Public Service Scholarship or any other scholarships and grants offered through the State of Maryland, please visit www.mhec.maryland.gov.

Sincerely,

Office of Student Financial Assistance

Maryland Higher Education Commission
